

Saint Joseph's
CATHOLIC SCHOOL

15 September 2015

Dear Parent/Guardian

Jeans for Genes Day – Friday 18 September

We have decided to support this National fundraising event this year as part of our fundraising efforts which are a major part of life at St. Joseph's Catholic School. Pupils are invited to wear jeans on this day and are allowed to wear trainers. They should still wear a shirt, tie and blazer. The cost is £1.00 and will be collected in the morning.

We do hope you will support this event as Genetic diseases affect our community. Any research to help support those families with children with conditions such as Cystic Fibrosis, Sickle-Cell Anaemia and Down's Syndrome to name but a few is I am sure you agree very worthwhile.

Yours sincerely

Mrs James & Mrs Paden
