Dear Parent/Guardian

**Homework Club**

I am pleased to inform you that we will be continuing Homework Club for all age groups again this year.

The two evenings that are available are Tuesday and Wednesday from 3.35pm – 4.30pm from Tuesday 22 September. These sessions provide pupils with a computer and a quiet space to work. They are supervised by a member of staff who will be able to support pupils with their homework or revision. You will need to return the reply slip below to reserve your child's place. Once your child is signed up to homework club please inform Reception if they are unable to attend/wish to be removed from the Club as this is vital for safeguarding purposes.

Yours sincerely

**Mr P McHale**
