

Saint Joseph's

CATHOLIC SCHOOL

10 October 2019

Dear Parent/Guardian

5th Annual International Day

We are one of the most multicultural secondary schools in Salisbury and to celebrate this we are going to be holding our 5th annual International Day on Friday 18th October.

As with previous years, we'll be asking pupils to donate a pound to wear their own clothes. As with last year's International Day, to capture the theme of the day and to make the school look as colourful and vibrant as possible, we're asking students to wear colours that represent the country of their heritage. For example, if your child has Irish heritage, they could wear green. Children can wear international football tops and also cultural dress – last year we had pupils dressed in saris and also flamenco dresses!

During the day the House Competition will be a Spanish themed dance and karaoke contest. Also throughout the week, the canteen will be preparing food from around the world.

In light of the recent natural disasters in the Bahamas, money raised during the day will fittingly go to support the work of aid agencies helping those affected.

Our International Day also coincides with the International Mass held in school during the evening. Everyone is more than welcome to attend this celebration that is followed by a fantastic selection of International cuisine in the school canteen. The mass starts at 7pm.

Many thanks for your continued support.

Yours sincerely

Mr Rooney
Assistant Head Teacher
