

Saint Joseph's

CATHOLIC SCHOOL

13 December 2017

Dear Parents/Guardians

PE Expectations

We are writing to remind you of the rules regarding kit in PE to ensure pupils are safe within PE lessons.

All pupils must wear correct PE kit to all PE lessons. If not this results in a behaviour point. If they forget their kit 3 times in a term this results in an afterschool.

If a child is ill or injured they must bring a note from home excusing them from the lesson. They are still expected to bring their kit and get changed as they will be kept with their group which may be outside. If not this results in a behaviour point and contributes towards the 3 no kits and afterschool.

If your child is too ill, or injured in a way that means getting changed is difficult this must be expressed in the note.

If your child has forgotten kit we have a kit room full of washed kit that is available to borrow before school and lunch time. The kit is washed after every use. This allows pupils who have made a mistake a chance to ensure they can join in the lesson and not get any behaviour points. We also lend sport specific kit such as rugby boots and shin pads if pupils do not have any of their own.

Please remember pupils can layer up in the cold weather but the school logo must be visible, e.g. wearing your polo top over a base layer or hoodie. Pupils are allowed to wear hats and gloves.

Any concerns please contact the department.

Kind regards

Mrs Goulding
Head of PE
