

9 Ways to Beat Revision Stress

Do the actual work – revise!

When really stressed, talk to someone about it

Get some fresh air each day

Stick to regular meal times

Do something to switch off an hour before bed

Don't dwell on worst case scenarios

A good sleep the night before is better than last minute cramming

Once you've done the exam, move on to the next one

Don't aim for perfection – it's a myth and doesn't exist
